**CITY COUNCIL
WORKSHOP BILL
WS 14-08**

Meeting Date: July 7, 2014

AGENDA ITEM INFORMATION

SUBJECT: RV Parks and Existing Long Beach Law	<i>Originator:</i>	
	Mayor	
	City Council	
	City Administrator	
	City Attorney	
	City Clerk	
	City Engineer	
	Community Development Director	GB
	Events Coordinator	
	Finance Director	DG
	Police Chief	
	Streets/Parks/Drainage Supervisor	
	Water/Wastewater Supervisor	
COST: Minor code enforcement costs		

SUMMARY STATEMENT: It has recently come to staff's attention that some RV parks are using a portion of their spaces as permanent residences contrary to Long Beach law. Attached are a few definitions from the zoning code regarding this matter. This issue is complicated by the fact that some allow permanent residents because of the cost of the sewer bills which occur in the winter whether or not there are short-term tenants in the RV park or not. It is also complicated by the way they have been billed for sewer services. Staff has a few ideas of how we can get our RV parks back to being actual RV parks while allowing those parks to remain profitable. Both Gayle and David have ideas to share.

TEMPORARY USE: A land-use activity that occurs for a specific and limited period of time, typically authorized by a special use permit.

This is our current definition of temporary, which is good, but not useful for this purpose. I would leave it alone, and augment "temporary" in the RV and RV park definitions.

RECREATIONAL VEHICLE (RV): Any vehicular type of portable structure without permanent foundation that can be towed, hauled, or driven, and is primarily designed as a temporary living accommodation for recreational and camping purposes. Recreational vehicles (RVs) include, but are not limited to, travel trailers, truck campers, camping trailers, and self-propelled motor homes. X

RECREATIONAL VEHICLE PARK: Any lot or parcel on which two (2) or more sites are located, established or maintained for occupancy by recreational vehicles for a fee as temporary living quarters for recreation or vacation purposes. Each site shall include individual connections for electricity and sanitary services. A recreational vehicle park may also include amenities for the use of the occupants, including but not limited to laundry, showers, game room, recreation, or restaurant. X

*For purposes of this definition, "temporary" means
a maximum of 3? 4? months.*

On June 6th I met with Mayor Cassinelli and two council members to discuss tightening up the cities noise ordinance. We talked about various ways to change the ordinance to address some complaints about a noise problem in downtown.

On June 7th Officer Casey Meling went along on the Senior Trip as a chaperone. The department tries to send an officer for this event every year.

I attended the 911 Operations Board meeting on the 10th. Discussion was held about upgrades to dispatch, homeland security funding and improving radio communications between agencies during a major event.

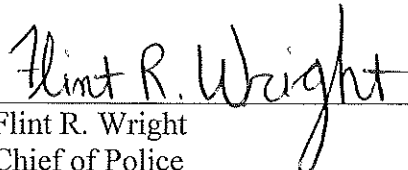

The Beach Run was held on June 14th. We had no issues with the event.

Reserve Officer David Tobin graduated from the reserve academy on June 21st. This academy was 320 hours in length and was state accredited. It required David to drive to Cosmopolis every Tuesday and Thursday night for training and to be there every Saturday as well from February until his graduation. David will join Reserve Officer Jesse Eastham as one of our extra summer officers.

On June 23rd I received notification from the Washington State Criminal Justice Training Commission that the department had met the state requirements for training of the officers for 2013. The state requires 24 hours of training for each officer within the department. Each one of our officers averaged 52 hours of training for 2013. I again want to thank the Cities of Long Beach and Ilwaco for supporting the ongoing training of my department. A copy of the certificate from the state is attached.

The department had firearms range training on the 24th. We qualified with our duty, back-up and off duty handguns.

The Doggy Olympics was held on June 28th. There were no problems with the event.

Long Beach Marketing Committee Meeting

June 17th, 2014

In attendance were Committee Chairman Myron Barnum, Committee Members, Sherry Hash, Holly Beller, Andi Day Long Beach Peninsula Visitors Bureau, David Glasson City of Long Beach Finance Director, Natalie Hanson City Council Liaison, Ragan Myers Tourism & Events Coordinator, Sue Ellyson (briefly), and Mark Perez. Committee Member Theresa Jetland was absent.

Motion was made and minutes were approved as written by Sue Ellyson.

Committee discussed the Lincoln City tear sheet. The committee would like to continue researching the price and then move forward with purchasing them for lodging properties and other visitor locations. Attached is the 8.5 X 14 example of the tear sheet. Long Beach Peninsula Scavenger hunt was discussed and it was suggested that the two projects be blended into one document. The items on the Scavenger Hunt could be added to the tear sheet of visitor information. The group will have to discuss the contents of the combined project for the next meeting.

Clamshell Railroad Brochure was discuss and based on the feedback we have received from the Columbia Pacific Heritage Museum, they would like to wait till fall to recreate this brochure and send it to press after the season.

Andi Day from the Long Beach Peninsula Visitor Bureau would like the Council to review and change the Long Beach Marketing Committee's Charter to reflect sustainability in order to protect the growth of the fund. The Horizon Air Ad has 2.2 Million In-Plane viewers! The visitors Bureau along with 6 others partnered on a co-op ad for USA Today. USA Today ran an article regarding the 15 best trails and best sand sculpture event. They like the peninsula, as they have ran 2 articles this season.

Sherry Hash brought in a sample of the Beach to Chowder medals this year and reported that 260 people participated in the event this year! The medals were purchased from Crown Trophy Awards.

Ragan Myers discussed the Long Beach Peninsula Ambassadors Program/Hospitality and the cost to put on the trainings. She would like to request funds for 3 more trainings in the fall. Ragan Myers will provide the cost per person for the trainings and submit at the next meeting.

The committee discussed getting the 2015 Budget Ideas organized in hopes of having a game plan for next year. The committee would like an update from the VB on the Sports Venue Facilities project.

The committee discussed changing the day of the week and time of the meeting, without any comment. The meetings will remain on the 3rd Tuesday of the month at 9:00am at Long Beach City Hall.

Without any further business the meeting was adjourned at 9:45am.

Respectfully Submitted,

Ragan Myers

AND DECISION**

DECISION

The Conditional Use Permit is **APPROVED**, subject to conditions.

INTRODUCTION

The Conditional Use application of **Mr. Michael R. Davis** to install two batting cages with dog run, seating, with picnic tables, warm-up area and equipment storage came on for hearing before Jan LeM. Hedges, Hearings Examiner, on June 25, 2014 at 3:01 p.m. . Gayle Borchard, Community Development Director, presented the Department of Community Development Staff Report.

The Hearings Examiner explained the hearing procedure, after which City staff made an opening presentation concerning the Conditional Use Permit Application.

Testifying under oath were:

Gayle Borchard, Community Development Director

Mrs. Sarah Davis, Representing Applicant, Mr. Michael R. Davis

The following exhibits were offered and admitted:

EXHIBIT NO.	DESCRIPTION	SUBMITTED BY	DATE ADMITTED	COMMENTS
1	Application for Development Approval	Owner	05/21/2014	Complete
2	Staff Report-Department of Community Development	CITY	05/29/2014	Complete
3	Notice of Public Meeting	CITY	06/02/2014	Complete
4	Determination of Completeness	CITY	05/29/2014	Complete

The hearing adjourned at 3:08 p.m.

From the foregoing, the Examiner makes the following:

FINDINGS OF FACT

1. Applicant, **Mr. Michael R. Davis**, proposes to install two batting cages with a dog run, seating, equipment storage, seating and picnic tables. The property is located at 1308 Pacific Highway South.
2. The site is zoned **C- Commercial**, where wireless communication facilities are allowed as a conditional use. The facility is to be co-located on an existing communication facility in the L1 zone, which is the most preferred location for wireless communication facilities in the CITY.
3. The operation of the facility will not be disruptive to the neighborhood. The equipment use noise will not be at harmful levels and all public used during business hours.
4. The proposed use is consistent with the existing city government and commercial uses and will not generate additional traffic impacts or place additional demands on the CITY infrastructure.
5. The proposed facility is generally consistent with the zoned uses.
6. There is adequate space on-site for parking and loading associated with the facility.
7. The property is served by CITY water and sewer.
8. The proposed use is not inconsistent with the requirements of other applicable ordinances and regulations including, but not limited to the Comprehensive Plan and the State Environmental Policy Act.
9. Any Conclusion of Law deemed to be a Finding of Fact is adopted as such. From these Findings of Fact, the Examiner makes the following:

CONCLUSIONS OF LAW

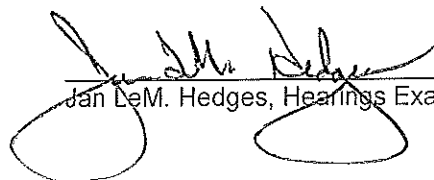

1. The Hearing Examiner has jurisdiction over the persons and the subject matter of the proceeding.
2. The requirements of the CITY Zoning Ordinance have been met.
3. The standards and guidelines of the CITY Comprehensive Plan have been met.
4. This proposed development is exempt from SEPA review.
5. The applicant has sought the appropriate permit.
6. As conditioned below, the project will be consistent with the criteria for Conditional Use Permit approval.
7. Any finding herein which may be deemed a conclusion is hereby adopted as such.

DECISION

The application of **Mr. Michael R. Davis**, applicant, for the installation of two (2) batting cages, dog run, picnic tables and seating found on at 115 1308 Pacific Highway South is **APPROVED**, subject to the following conditions:

1. Any further development, expansion beyond 10 percent, or change of use of the property shall require the approval of the City of Long Beach.
2. All owners of property residents located within 100 feet shall be provided with management contact information. Should complaints be received from adjacent property owners, the applicant or current operator of the facility shall work with the complaining party to come to a resolution for altering operations to avoid impacts to neighbors.
3. The batting cages shall operate between 10 a.m. and 10 p.m. to allow neighbors hours of quiet enjoyment.
4. Flood lights for night use are prohibited.
5. Failure to comply with conditions of this permit may result in the permit being rescinded and possibly the Applicant being cited and fined under the Long Beach City Code.

Done this 27th, day of June 2014

Jan LeM. Hedges, Hearings Examiner

NOTICE OF RIGHT TO APPEAL

RIGHT TO APPEAL –TIME LIMIT

Any person aggrieved by the decision of the hearing examiner shall have the right to appeal the decision to the City Council. The appeal shall be in writing and delivered to City Hall within fourteen calendar days of the hearing examiners decision. No new evidence will be accepted by the City Council. The appeal is limited to the record presented to the hearing examiner. [Ordinance No 656, Section 4]

TRANSCRIPT OF HEARING – PAYMENT OF COST

An appeal of the Hearing Examiner's decision requires the preparation of a transcript of the hearing before the Hearing Examiner. Therefore, a payment of ten dollars (\$10.00) for each hearing tape must accompany the request for appeal. The appeal fee is \$400.00. All costs are payable to the City of Long Beach, Washington.

The Honorable Robert Andrew
Mayor of Long Beach
P.O. Box 310
Long Beach, WA 98631

Dear Mayor Andrew:

Congratulations! The Long Beach Wastewater Treatment Plant is receiving the 2013 "Wastewater Treatment Plant Outstanding Performance" award. Of approximately 300 wastewater treatment plants statewide, yours is one of 125 that achieved full compliance with its National Pollutant Discharge Elimination System (NPDES) permit in 2013.

My staff evaluated wastewater treatment plants in Washington for compliance with the effluent limits, monitoring and reporting requirements, spill prevention planning, pretreatment, and overall operational demands of the NPDES permit.

It takes diligent operators and a strong management team, working effectively together, to achieve this high level of compliance. It is not easy to operate a wastewater treatment plant 24 hours a day, 365 days a year, without violations. The Washington State Department of Ecology (Ecology) appreciates the extraordinary level of effort your plant operators demonstrated throughout 2013. Talented and proficient operators are critical to successful plant operations and protecting the health of Washington's waters. Your excellent record is a credit to the dedicated operators who are responsible for operating the award-winning Long Beach Wastewater Treatment Plant.

Ecology will issue a news release recognizing the 2013 award recipients including the Long Beach Wastewater Treatment Plant.

Please call Pat Bailey at 360-407-6281 if you have any questions or comments about your award.

Thank you for the excellent service you provide. Congratulations!

Sincerely,

Heather R. Bartlett
Water Quality Program Manager

Re: Charter Communications/Comcast Corporation Transaction

Dear Mr. Miles:

As you may have read, Charter Communications, Inc. ("Charter"), the ultimate parent of the entity holding the cable franchise in your community, has entered into an agreement with Comcast Corporation ("Comcast"). Pursuant to this agreement, Comcast will become the ultimate owner of your franchisee.

This transaction does not change your local franchise entity. The same entity will remain, but instead of being an indirect, wholly-owned subsidiary of Charter, your cable franchisee will become an indirect, wholly-owned subsidiary of Comcast.

If you determine that your consent is **not** required for this transaction to proceed, you need not take any further action. If, however, you believe your consent is necessary, we have provided copies of the Federal Communications Commission's ("FCC") Form 394, other information, and a draft consent resolution to help facilitate the consent process.

- **FCC Form 394.** FCC Form 394 (required copies enclosed) is designed to provide you with the relevant information needed to assess the financial, legal, and technical qualifications of Comcast to be the ultimate parent entity of your cable franchisee.
- **Timing.** According to the FCC's rules, if you decide consent is required, you have a maximum of 120 days from the date you receive this information to review all materials and act upon our request for consent to the transaction. (Please note, your franchise may specify a shorter time frame.)
- **Consent Resolution.** Should you choose to affirmatively consent to the transaction, we have enclosed a draft consent resolution to be used to help expedite the consent process. We would request that a consent resolution, if needed, be placed on your agenda for consideration at your earliest convenience.

All of us at Comcast are excited about the opportunity to serve your community. We invite you to visit www.comcastcorporation.com/together for additional information about the transaction and Comcast. If you have any questions about the FCC Form 394, the consent resolution, or any of the enclosed documents, please give me a call at (215) 286-5585, send an email to klay_fennell@comcast.com, or send a facsimile to (215) 286-8408.

Sincerely,

A handwritten signature in black ink, reading "Klayton F. Fennell".
